Re: United States v. Michelle Gluck 07-CR-00493 (CM)

Dear Judge McMahon:

The above captioned defendant is scheduled for sentencing on October 24, 2007. On October 1, 2007, I received the first disclosure of the Pre-Sentence Report. Although I do not anticipate any significant objections to the report, there is additional information that I would like Probation Officer Campbell to review prior to her submission of her final report to the Court. I should be able to submit that information to Officer Campbell by the end of next week.

Further, and perhaps most importantly, Bill Kamaroff, the AUSA who investigated this case and negotiated the plea agreement has left the office. Although I was given the name of a new assistant, it turned out that the information was incorrect. As of today I have not been able to speak to the assigned AUSA. Given some unusual circumstances in this case, it is very important that I have an opportunity to review the entire case with whoever is handling this matter.

Given the above circumstances, I am requesting that the sentencing in this matter be

adjourned until, December 6, 2007

Respectfully submitted,

Alan M. Abramson
